01

Access, Setup & Breakdown

- Access to the premises is permitted only during setup and breakdown windows confirmed in writing by Venue management.
- All equipment, supplies, and materials must be removed by the end of the rental period on the event date unless approved otherwise in writing.
- Vendors must check in with Venue management on arrival and before departure.

02

Condition of Premises

CORE OBLIGATION

The Vendor shall return the space in the same condition in which it was provided — clean, undamaged, and free of the Vendor’s equipment, materials, and waste.

- A pre-event walkthrough may document the condition of the space before setup; a post-event inspection follows breakdown.
- All Vendor trash must be bagged and placed in the designated disposal area.
- No nails, screws, staples, tape, adhesives, glitter, confetti, or open-flame decorations on Venue surfaces without prior written approval.

- Food vendors: kitchen and prep areas left clean — surfaces wiped, equipment removed, no food waste or grease residue.
- DJ / entertainment vendors: all cabling, rigging, and staging removed without marking floors or walls; sound levels within limits set by management.

03

Damage Liability

- The Vendor is solely responsible for damage caused by the Vendor, its staff, or its equipment — including structure, flooring, furniture, restrooms, kitchen, equipment, and decorations.
- Damage found at inspection is reported to the Vendor within **48 hours**; full repair or replacement cost, as determined by the Venue, is invoiced and due within **7 business days**.
- No security deposit is collected — vendors are billed directly for any damage.

04

Venue Rules

- **Smoking** is prohibited everywhere on the premises except a written-authorized designated area. Violations are subject to penalty and may result in removal from the premises.
- **Alcohol** only under a package including alcohol services or an approved one-day waiver. Unauthorized service is subject to penalty and possible immediate termination of the event.
- **Extended hours** past 12:00 AM: subject to availability and prior approval, coordinated through the Client.

05

Insurance & Compliance

- The Vendor must hold all licenses and permits required for its services (including food handling permits for catering) and provide copies on request.
- General liability insurance covering on-premises activity is encouraged; proof of coverage shall be provided if requested.

06

Indemnification

The Vendor agrees to indemnify and hold harmless Infinity Rio Ranch, its owners, and its staff from any claims, damages, or liabilities arising from the Vendor's services, equipment, or conduct on the premises.

Rental Period, Package Hours & Grace Period

The Vendor's access follows the Client's package: 8 hours (Half-Day) or 12 hours (Full-Day). All setup, event service, and breakdown must fit within that period.

A 45-minute grace period follows the scheduled end of the rental period. Breakdown not finished within the grace period will incur a charge of \$100 per hour, or part thereof.

ACKNOWLEDGMENT & SIGNATURES

By signing below, the Vendor agrees to all terms of this Agreement — in particular, the obligation to return the space in the same condition in which it was provided, and full responsibility for any damage caused.
